BIOTA ORIENTAL HAIR TONIC

Secret Recipe for Scalpe Care

BIOTA ORIENTAL HAIR TONIC

Secret Recipe for Scalp Care

Natural biocompounds
help you to have thick and
abundant hair
By giving nutrients and
energy to the scalp.

Biota orientalis™

Hair growth stimulants were found from leaves of Biota orientalis by 7 year research of Eco-vis laboratory, and also those components were extracted and refined to highly pure natural-based biocompounds.

Biota orientalis is commonly known as tree of life. Biocompounds of its extract care tired scalp due to external stimuli, and promote hair growth by activating hair growth factor.

Scalp care complex

Scalp care complex is a concentrated long-term/low-temperature extract solution of underlying natural plants without any loss of nutrients.

(Eclipta Prostrata, Chrysanthemum morifolium, Fritillaria verticillata bulb, Alpinia Officinarum Root, Kaempferia Galanga Root, Ligustrum Lucidum Fruit, Panax Ginseng Root, Nelumbo Nucifera Seed and Platycodon Grandiflorum Root) It gives natural nutritive components to the scalp for healthy and thicker hair.

Biocompounds from Biota orientalis work as a multi-functional compound which has diverse functions related to hair growth;

1. Inhibit 5 α -reductase (inhibition of DHT creation): finasteride (oral medication) mechanism of hair growth
2. Increase VEGF creation (activation of hair cell): minoxidil (topical medication) mechanism of hair growth
3. Increase β -catenin creation (induction of hair follicle creation): New mechanism of hair growth

It helps fast hair growth by activating mechanism 1, 2 and new mechanism 3 above.

Role of β -catenin in hair

– β -catenin Decrease in β -catenin keratinizes stem cell which will be removed as a dead cell, results no change in hair growth.

+ β -catenin Increase in β -catenin affects stem cell to be germinal matrix cell which promotes hair growth.

Arayun's Confident Luxury Soap

Deep Ocean Water

High in minerals that perfectly clean with mild exfoliation.

Medical Herb Complex

Selected Natural Gangwon-derived Medicinal Herbs and its amazing benefits for all skin type.

Handmade

All Handcrafted Process of manufacturing, cutting and even packing.

Excluded Harmful Additive

All Natural & Safe Soap with toxic-free ingredients.

Highly **recommended** in the following cases!

- ✓ For the reliable soap that feels like a natural homemade soap.
- ✓ For the sensitive skin-safe soap free from chemicals.
- ✓ For removal of the build-up dead skin from all over the body.
- ✓ For the abundant nourishing & moisturizing to the skin while cleansing.

Special Arayun Soap

- A. Arayun's luxury soap has high mineral and moisture content but the size of soap can be shrink over time.
- B. The soap is vulnerable to moist because it has neither chemicals nor coagulant, which may cause water drop.
- C. This soap appears in natural-born color due to no addition of pigment.

How to **use** Arayun soap

STEP1

Make a full foam to maximize the effect of deep cleansing accumulated impurities and great exfoliation with Deep ocean water.

STEP2

Gently massage the skin for 20-30 seconds with the rich foaming

STEP3

Thoroughly rinse off the entire face with warm water not to leave residue.
