Godbawee Foods Co., Ltd.

Godbawee Foods Co., Ltd. is located in Boryong city, Chongnam, where clean and clear water is preserved and Daechon bathing beach is located where each of four seasons has its prominent natures.

Established Quality First marketing strategy, all staff of Godbawee Foods have been servicing for guaranteeing thorough sanitary conditions and with only mind for customer.

All the Staff of Godbawee Foods are making their best efforts to meet every need of customer by producing quality products and providing best services with their own know-how obtained from long-term efforts.

Merits of Godbawee laver

Laver is a living plant, which takes nutrition salt to grow and, when the tide is on the ebb, it may receive sunshine or be exposed to extreme coldness.

Its unique tastes and flavors are created just by withstanding the conditions.

So lavers those grow in severe winter encountering bise and snow have the best nutrition and superexcellent taste.

Awarded ISO9001, HACCP certification

How Godbawee series products are processed ?

AIR SHOWER

Sanitary control

Foreign substance removal

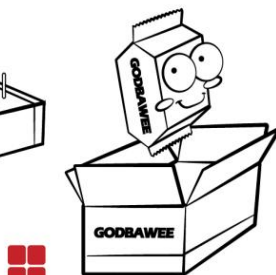

Baking and seasoning

Counter

First packing

Second packing

I Godbawee Foods Do., Ltd., equipped with up-to-date automatic system, has its staff making efforts to always maintain sanitary conditions of working shops.

II Raw materials selected by strict standard are fed to next process after removing wet and foreign substance.

III Laver is counted by this counter, then checked by observation and then is sent to automatic cutter to be cut in a specified sizes.

IV After first baking ($350^{\circ}\text{C} \pm 10^{\circ}\text{C}$), laver is sent to the next baking process added with flavorings (sesame oil, corn oil and salt) in which the know-how of Godbawee Foods is contained.

V Clean vacuum packing plus efforts by our company to preserve its original flavor provide unchanged flavor to its eaters

VI After completion of appearance inspection, laver is packed in boxes to be delivered to domestic and overseas buyers.
