

DEAS S.A. is a family owned company dedicated to offer premium quality products and services on the basis of a customer-oriented approach. Having achieved these two strategic principles our company is nowadays the leading company in Greek olive business. The building and the industrial installations, an area of 20.000 m², are located at Kalives, region of Halkidiki, Greece. DEAS S.A. philosophy focuses on the quality of our products guaranteed by the regular controls of the company's ultra-modern facilities and the innovative processing, storing and packaging methods in compliance with the International standards and regulations (ISO 9001, ISO 22000, IFS, BRC & Kosher). In addition, DEAS S.A. has given top priority to sustainability strategies within a framework of environmental, economic and social values, proved in practice by the commitment to contribute to sustainable development, the implementation of social responsibility policies and eco-friendly projects, fact that enhances the quality products and the role of our company as well.
