SUNGLASSES

Polarized Clip-on

Find out more on the website

- 01 Polarized clip-on sunglasses series that are normally used as eyeglasses, and use them as sunglasses in outdoors after attaching magnetized clip-on sunglasses to the glasses frame.
- 02 No need for dispensing prescription sunlenses as the metal frame already have prescription lenses and polarized sunglasses simply goes on top of the metal frame.
- 03 Minimized weight by slim metal frame and the thin clip-on type polarized sunlenses
- 04 Basic frame colors : Black, Gold Black, Silver Black
