# The Marketplace for **Special Equipment** Where you can Securely Buy and Sell Products Based on **Trust** and **Honesty**

Jangbi Machinery offers a service to buy and sell special equipment; aerial platform truck, truck crane, ladder truck and special purpose vehicles in various forms based on many years of practical experience in the field of marketing solutions for such special equipment.

We search various manufacturers' equipment from diverse perspectives based on constant care and feedback from our customers, thereby helping them to buy and sell their products securely by precisely evaluating the features and advantages and supplementing the disadvantages. Considering various modeling of multiple manufacturers and workability and safety of the equipment, we are constantly striving to procure many kinds of used equipment in order to provide our customers therewith after maintaining and repairing them more accurately and thoroughly.
