

About JRJ,INC.

JRJ., INC. conducts continuous research and development that combines reliable and safe natural extract raw materials and biotechnology for the health of the hair and scalp of modern people who repeat damage and recovery in a rapidly changing era, It is a global hair total solution company that continues honest efforts and trust to satisfy the needs of customers.

JRJ., INC. believes that all hair problems start from the hair root (hair root) in the scalp, and under the slogan of 'Healthy on the inside, rich on the outside, and soft on the texture', we provide a comprehensive solution for scalp hair loss and dandruff treatment. I suggest. Functional products effective in relieving hair loss symptoms have been verified by the Korean Ministry of Food and Drug Safety, the US FDA, the Thailand FDA, and the Kyrgyzstan FDA through clinical trials on 50 hair loss patients for one year at the Department of Dermatology, Ansan Hospital, Korea University. Currently, NMPA in China and FDA in Vietnam are in progress.

In addition, as a subsidiary of Kookmin University's Technology Holding Company, we established a research institute in the Gwangju Special District and have two patents for natural composition with excellent synergistic antibacterial activity.

Product introduction

① Dr. Pelo Scalp Shampoo 300g

Dr. Pelo Scalp Shampoo is approved as an effective functional product for relieving hair loss by the Ministry of Food&Drug Safety. Based on a one-year clinical trial at the renowned Korea University's Ansan Hospital, 50 hair loss patients tested the Dr. Pelo Scalp Shampoo With results showing a significant increase in hair density and thickness by the sixteenth week.

[How to Use] While hair is wet, squeeze an appropriate amount of foam and gently massage it into your scalp and hair. Then, rinse out shampoo thoroughly.

② Dr. Pelo Scalp Tonic 150ml

In combination with our 3 core ingredients(L-Menthol, Salicylic acid, and Dexpanthenol), concentrated extracts from Pleuropterus multiflorus(Hasuo) and Houttuynia cordata detoxify the scalp and promote hair growth. 10 additional natural extracts from plants and herbs are blended together for a safe, nourishing hair treatment.

[How to Use]

Shake the product well before use. Once a day, spray the tonic onto your scalp and massage with your fingertips until the product is fully absorbed. We recommend applying it right before going to bed for optimal results!

③ Dr. Pelo Miracle Shampoo 500g

Specifically made for oily hair types, the Miracle Shampoo deeply cleanses the scalp and alleviates itchiness and greasiness, leaving hair rejuvenated and fresh. Post shower, the scalp feels minty fresh while hair is noticeably clean and soft.

[How to Use]

After wetting your hair, lather an appropriate amount in your hands and massage the shampoo evenly into the scalp and hair. Then, rinse thoroughly.

④ Dr. Pelo Miracle Repair Treatment 300g

Formulated with high concentrations of complex amino acids and our special patented extracts of proteins and scalp soothing ingredients, the Miracle Repair Treatment nourishes dry hair as an easy, non-irritating post shower leave-in treatment.

[How to Use]

After shampooing, towel dry your hair and pump an appropriate amount of hair treatment into your hands. Apply onto damp hair then dry.

⑤ Dr. Pelo Miracle Repair Treatment(Travel size) 30g

This mini travel-size version of the Dr. Pelo Miracle Repair Treatment repairs damaged hair on-the-go. No need to rinse-leave in and you're ready to go!

[How to Use]

After shampooing, towel dry your hair and pump an appropriate amount of hair treatment into your hands. Apply onto damp hair then dry.

⑥ Dr. Pelo Scalp Tonic Sheet 25ml*5

Our tonic is a sheet form! A simple, compact hair cleansing sheet that deeply detoxifies the scalp while also promoting hair growth. Great for travel, post workout, or outdoor activities. Safe for hospital patients and staff that are unable to wash their hair for prolonged periods of time.

[How to Use]

Remove sheet from the package. Thoroughly wipe and massage the sheet into the scalp using a circular motion. Let hair air dry-no need to rinse!

⑦ Dr. Pelo Honey Mask Pack 25ml*5

With nanocellulose and honey extract, this mask pack has deeply hydrating and soothing properties to help retain moisture in the skin's barrier, leaving skin supple and dewy.

[How to Use]

After cleansing your skin, remove the sheet and place the mask on your face. Leave on for 15-20 minutes. Remove sheet and tap in any remaining product into skin to be absorbed.

⑧ Junivuni Hair & Scalp Wipes 17ml*5

This portable hair and scalp sheet removes oil buildup and pollutants from your hair. With just one wipe, you can clean your hair and soothe your scalp. Take this product with you when working out, camping, hiking, or on-the-go.

[How to Use] Remove wipe from the pouch, and massage into scalp to clean and absorb nutrients. Apply to hair when necessary. No need to rinse off, leave in to air dry!
