Monde Rêve

Superior quality cosmetics are recognized first by skin

Generally, most cosmetic products contain water, alcohol, and oil, and chemical additives to mix them together.

Monde Reve products do not contain any harmful chemical substances, making it possible for skin to breathe.

The Monde Reve Angel Series consist of subacid facial cleanser to deep cleanse wastes from pores and neutralize skin with mist, for the maintenance of optimal pH balance. By creating skin's barriers through essence, the ideal natural pure cosmetics products help recover skin's restorative power.

We confidently recommend the healing cosmetics Monde Reve Angel Series.

Monde Reve won the best product award (MVP) and the outstanding technology award (TEC) at the 2013 Seoul Fair hosted by the Seoul Business Agency, where 350 participants and over 1,000 brands had participated.

Monde Reve recovers skin's beauty

1. Human skin is originally beautiful.
2. Skin can return to its original beautiful state when the skin's self purification effect is maximized without stimulating skin.
3. Ingredients harmful to skin is resolutely eliminated and essential moisture balance and balanced skin's nourishment is maintained by supplying pure skin care solution.
4. It is safe enough to use after plastic surgery, with no concerns for skin troubles or allergic reactions.
(Use of chemical cosmetics after surgeries may lead to side effects)

Directions and descriptions for Monde Reve products

| Monde Reve |

Angel Wash (95g)

- * A Special manufacture method is used where plant originating materials are matured for a long period and mixed well, then heating and quick chilling processes are repeated tens of times
- * Mild creamy soap made from only plants wash out even wastes lodged deep within pores
- * FDA approved product
- * pH 6.5: with outstanding cleansing effect, skin is kept soft after cleansing

| Monde Reve |

Angel Solution (150ml)

- * Through moisture supply, skin becomes soft, and mist is immediately absorbed when sprayed on skin
- * Toner and emulsion in one, 2-in-1 mist
- * Contains mineral moisturizing natural electro-analyzed water
- * Subacid mist contains vitamin C
- * No oil, no color, no fragrance

| Monde Reve |

Angel Cleansing Lotion (80ml)

- * Makeup developed with natural enzymes for makeup removal; continued use will make skin translucent and clear.
- * Mild cleansing lotion
- * Skin does not become dry after cleansing, it rather becomes soft

| Monde Reve |

Angel White Moisture Essence (30ml)

- * Multi purpose triple essence with whitening, moisture supply, wrinkle reduction functions
- * Dull colored skin becomes clear and collagen firms and tightens skin to reduce wrinkles
- * This is for skin with troubles or dry skin resulting from the use of chemical products

Directions for use, Monde Reve Angel Series

| Morning |

- * Place Monde Reve Angel Wash on palms and create lather. Gently cleanse face with bubbles.
- * Spray Monde Reve Angel Solution on face and let it be absorbed, and gently cover face with palms and press for the absorption of remaining essence.
- * Use a coin sized amount of Monde Reve Angel Essence and spread gently on face. Pat gently and massage until all essence is absorbed into skin.
- * If face feels tight after applying essence, spray solution once more, and pat gently with hands for absorption.

| Evening |

- * Wet cotton pad with Monde Reve Angel Cleansing Lotion and wipe gently with slight pressure to remove makeup.
- * Spray Monde Reve Angel Solution on face and let it be absorbed, and gently cover face with palms and press for the absorption of remaining essence.
- * Use a coin sized amount of Monde Reve Angel Essence and spread gently on face. Pat gently and massage until all essence is absorbed into skin.
- * If face feels tight after applying essence, spray solution once more, and pat gently with hands for absorption
