

## I Amie-sIII Volume up Lifting Cream

### I Features I

- Smoothly absorbing into the skin without a sticky residue, the sausage tree fruit tract makes the skin firm and supple while Ficus carica and pomegranate extracts moisturize the skin and keep it youthful.

### I Ingredients I

#### Sausage Tree Fruit Extract :

- The sausage tree is native to West Africa. The fruit has been traditionally used to make women's breast larger and more elastic.
- The fruit of the sausage tree contains flavonoids, phytosterols and saponin.
- It strengthens and stabilizes collagen membranes, which keep the skin firm and supple.

#### Ficus carica Extract :

- Prevents oxidative loss with skin-protective effects on oxygen free radicals
- Delivers nutrition and vigor to the skin and keeps it healthy and youthful
- Smooths the skin and keeps it moist and soft

#### Pomegranate Extract :

- Prevents skin dryness and wrinkle formation by enhancing collagen synthesis and keeps the skin moist and firm
- The natural AHA in pomegranate removes dead skin and keeps the skin firm and smooth by enhancing collagen levels.
- Ellagic acid and vitamin C facilitate antioxidant activity, which slows down skin aging by removing oxygen free radicals.

#### Ginkgo Nut Extract :

- Promotes blood circulation and prevents aging of blood
- Rich in flavonoids to keep the skin healthy and youthful
- Rejuvenates dry, tired skin and keeps it healthy

#### Acetyl Hexapeptide-8 :

- Effective in easing wrinkles and enhancing skin elasticity; so-called 'botox peptide'
- Effective in easing wrinkles and slowing aging by reducing wrinkle formation

### Recommended to

- Lose elasticity in breasts
- Want to have larger breasts
- Need breast care after childbirth
- Worry about small or saggy breasts
- Are not satisfied with the shape of their breasts
