Moist Skin

Sea Buckthorn

Sea Buckthorn tree is also called as Vitamin tree as it has abundant vitamins.

It contains various vitamins richly including vitamin C and E, so that it helps skin transparent and healthy.

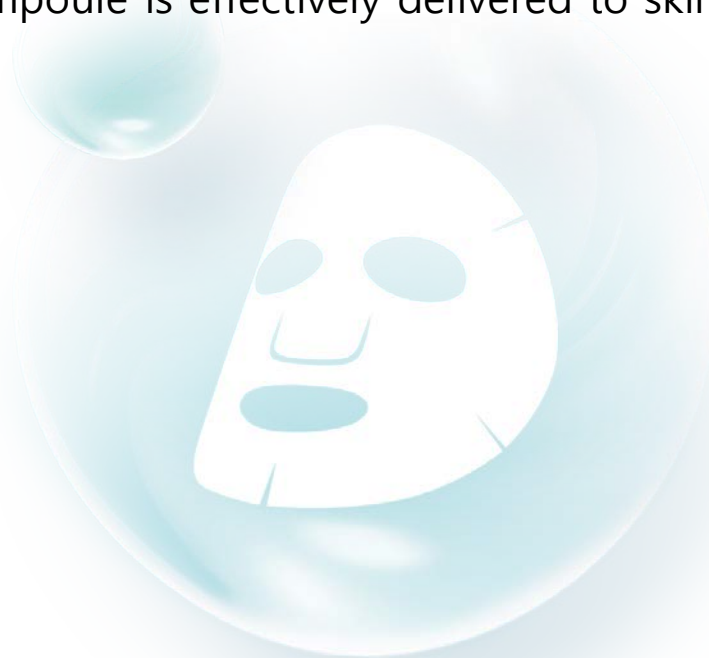

• • • Large volume

One bottle of ampoule as it is in one pack!

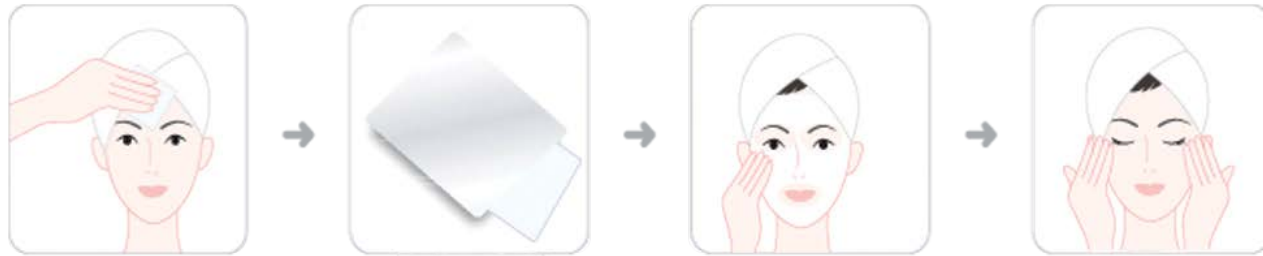

• • Close contact without gap!

As the transparent sheet is closely contacted with skin,
ampoule is effectively delivered to skin.

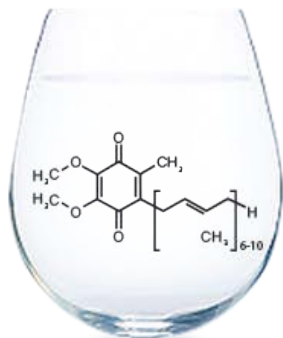

How to use

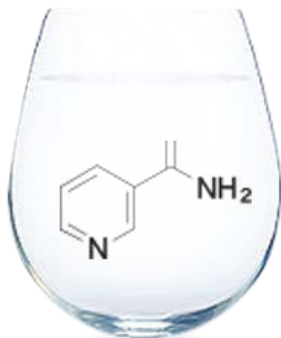

1. After washing your face, prepare the skin with toner.
2. Take the mask out of its package, unfold, and place the sheet over your face.
3. Relax for 15-20 minutes and remove the mask.
4. Pat your face lightly to make remaining ampoule absorbed.
