YSJ
COSMETICS

www.ysjkorea.com

YSJ Cosmetics, established in March 2011, is an OEM/ODM manufacturer and exporting company. In 2020, we developed skin care line and makeup products to grow into a global cosmetic company.

"HEAVENING" the brand name means "Gives heaven like relief to your skin" and it's a natural cosmetic brand based on the ingredients from pure provinces in Korea.

We're developing functional natural cosmetics; HEAVENING Jeju series which contains Opuntia Ficus-Indica Extract of pure Jeju and HEAVENING Intensive series contains Chuncheon-ok (Jade) Extract which is enriched with natural Minerals, Calcium, and Iron. We're exporting to more than 10 countries since 2016, including USA, China, Japan, Thailand, and etc. and spreading our cosmetics of natural ingredients from pure Gangwon and Jeju to all over the world.
