- # POWERFUL ANTI-AGING
- # PLANT-DERIVED STEM CELLS
- # ROBUST AND WELL-HYDRATED MOISTURE BARRIER
- # SENSITIVE AND DAMAGED SKIN REGENERATION CARE
- # BIO MICRO NEEDLE(CONTAINS NATURAL MICRO NEEDLES)

SPICUS is a substance that effectively delivers collagen and skin active ingredients to the dermis by coating vegetable collagen and Bifida Ferment Filtrate on natural microneedles.

It is a highly concentrated EGF ampoule that speeds up skin regeneration, helps new cells to be produced quickly, and helps to increase skin activity and care for wrinkled skin texture, which has been reduced due to aging, to make skin with lively and young energy.

LARA CLARA
