About us

Since 2005, DiCAPac has been your source of patented waterproof cases for digital devices to take photos and videos underwater up to 10M (33ft) .

Here at DiCAPac, we are dedicated to provide the highest quality waterproof cases for camera, smartphones and other consumer electronics from anywhere in the world.

DiCAPac received Korean government awards for export excellence.

We are now supplying waterproof cases to more than 60 countries worldwide.
