

Company Profile

Natural Cosmetic PURE VALLEY which makes pure cosmetic with natural materials

“Skin becomes beautiful only when makes up cleanly.”

“Cosmetic made with natural materials that make our skin healthy and beautiful!”

- It is safe since vegetable oil has been used for the main materials being used for a natural cleanser and the oil's property and efficacy compatible with a purpose was respectively applied by products.
- It is a natural cleanser made with our utmost sincerity to help keep health of skin and scalp using natural medical plants, herbs, fruit etc. effective for a human body to match the product's efficacy.
- We made it a rule not to use chemical additives such as synthetic surfactant (plant-originated, vegetable, natural surfactant etc.), preservatives, silicon etc..
- Natural cosmetic minimized a skin stimulation element because preservatives controversial to harmfulness and chemical additives beyond necessity have not been used.
- PURE VALLEY products provide a customer only with a natural cleanser and natural cosmetic which give help to skin and scalp health and improve on trouble rather than simple use feel and feel after us
