j e w e l r y

## Company Introduction

Iksan Jewelry Chain Company is the fashion jewelry manufacturer in Korea. We produce all kind gold and silver jewelry such as 10K, 14K, 18K gold and even 925 sterling silver. We have facilities, technology, and skilled workers who can design, produce, export, and sell jewelry from our own factories. Our jewelry can satisfy beauty, practicality and reasonable unit price that will satisfy your needs. We do OEM, ODM manufacturing for our global customers.

## Rings

This is a simple and cute ring made of diamond-cut wire. It is available in diameters from 0.8mm to 2.0mm and both plain and cutting wire. You can also give the ring a wave or change it to a different shape. It can be made of silver or all kinds of karat gold.

## Luxury Jewelry

We also make great luxury jewellery, such as large sizes with bold designs, things that require thick plating like Vermeil.

## Practical Jewelry

We make a variety of handmade chains well.  
Our practical jewelry is made by combining links of various shapes,  
and is not only a design suitable for everyday wear, but also a reasonable unit price.

## Daily Jewelry

Our practical jewelry can make you beautiful and stylish every day.  
The jewelry have a unique, patented diamond cut pattern.  
So it will make you more precious and shiny.

## Progressive Jewelry

We can make jewelry of any shape, size and technique before others.  
The beautiful inspiration and request for jewelry are yours, and the technique and method for jewelry are ours.

## Lovely Jewelry

Girls need lovely and cute jewelry. Our jewelry will make you more lovely in a variety of materials and in a variety of ways.

## Handmade Chain Jewelry

We use our equipment, technology and excellent manpower to make handmade chain jewelry well. Whether it's the most delicate jewelry or the luxury and bold jewelry, we can supply any jewelry you want.

## Chain Jewelry

We make various jewelry using chains, basic jewelry of general chain and handmade chain, harmony jewelry that combines them, and fancy chain jewelry. We are always thinking about, researching, and working hard on jewelry.

## Link Chain Jewelry

This necklace and bracelet is a handmade chain that connects thick hollow links. The design is bold, but the weight is not very heavy, so it has the advantage of obtaining both design, fit and reasonable unit price. Because they are handmade, they can be combined as desired, not only for the total length, but also for each link's thickness, size, and assembly shape.

## Beads Chain Jewelry

Simple, luxurious design with naturally connected beads with the chain. Beads can use different colors depending on the season, natural stones, cubics, or diamonds. Silver, 14K, 18K, rose gold, yellow gold are all available, and both the total length and the length between the beads can be adjusted. The parts connecting the bead and the chain are special parts that our company has patented, and the quality difference is distinct from other common bead chains.

## Steady Silver Jewelry

We succeeded in wire cutting and making jewelry using a new material, Steady Silver. So we are producing products of various shapes and designs. It is reasonable price and safe against skin reaction by plating.
