HAPPY FLORA

Plants brighten our home.
Take care of happy plants easily

EASY FLORA

Taking care of plants is easy for someone.
It's hard for some people, so it's a worry.
But don't worry now, take care of the plants easily!

ETERNAL FLORA

Here's a plant that can be with us forever.
They don't need water and sunlight.
You don't have to worry about withering

BRAND STORY

C'MON GRAPHIC is a poster brand made by C'MON DESIGN
It is a poster design brand that plans, shoots, designs, and
even produces posters for casual projects.

ABOUT

- ART.** Collaborating with artist and brand.
- VARIOUS.** Providing various options of frame.
(black, white, gold, silver)
- CUSTOMIZING.** Customizing your poster. (paper poster, fabric poster)
Discussing how to make it, customize it, and creating
canvases and frames. It may be the only one for you.

Using high quality paper for design printing. We make a delivery
your poster after safe packaging process.

The front of the frame is light&safe acrylic. For protection, we will ship
you with protective paper attached to the front of the frame.
So, remove it from the frame.

Aluminium, which are framed, can be minutely scratched
due to the manufacturing process.
Please understand that it is difficult to exchange or refund.

The frame has sharp edges, so please be careful.

We put a plate on the back of the poster to minimize the distortion
due to moisture. Please use it in a place where there is no moisture
as much as.
