● Company Introduction

Our Company is established for manufacturing safe goods for women, so our company slogan is Brand for Women in the World. Our starting item is 3 type of facial mask, it is selling now in Korea and China. Company goal is connecting with other company or manufacturing safe women items, for example, skin care, daily necessary goods, baby goods etc.

● Items

1. 9WILL deep nutritious mask [RE-YOUTH]
2. 9WILL collagen aqua mask [WATERING POT]
3. 9WILL bamboo brightening mask [CLOSE CARE TO SHINE]

There are 3 marketing points:

1. Youth sensual design

It is youth sensual and friendly in design, so young people don't feel pressed about facial mask, like luxury brand, moreover easy to remember.

2. Using safe essence

we passed one of Korea FDA ratification agency quality test.

3. Thin and natural sheet

There are 3 type of facial mask, all of these used natural sheet, this natural sheet is really thin, so it is easy to be attached to skin and absorb essence.
