Main Product	Push-pull smart lock, MSP300 Series
Brief Introduction	Made for a safe life, MSCL's products, which are designed to welcome precious people comfortably. Now we are dreaming of reaching out to the world beyond just a handle.

ABOUT MSCL CO., LTD.

MSCL Co., Ltd. has dominated the front door market for over 10 years. We take care of all processes from R&D, die casting to assembly to provide high quality products for our customers. In addition, we have obtained customer satisfaction and trust through the excellent performance of our products, which measure up to both Korean and international standards, such as KS/KC and ISO9001.

MSCL uses high strength zinc / aluminium alloy die casting body and precision parts supplied by our own domestic manufacturing line, boasting exceptionally strong and solid quality.

We Make a Safer,
and more Convenient Life for people.
Since 2004

GATE-eye

SECURITY FEATURES

MSCL's smart locks come with advanced features making your life safer.

Imaginary number function
You can prevent password theft by others who try to guess your password from fingerprints left on the touchscreen or by getting a peek.
01

Security system
Entering wrong password more than 3 times stops all operations and sounds alarm.
02

Intruder detection and damage warning
It sounds alarm if someone tries to break in or force open the door.
03

Anti-electric shock
We use a circuit that prevents door opening from electric shocks.
04

Heat sensitive sensor (e.g. against fire) and automatic open system
It sounds alarm if it detects high enough temperatures (65°C ± 5°C) to indicate a fire from inside and unlocks door for quick evacuation.
05

MSP300/330 FEATURES

Dimension
· Door thickness : 40-50mm(Basic), maximum 100mm(Optional)
· Front : 85(W) x 73(D) x 388(H)mm, Back : 85(W) x 71(D) x 388(H)mm

Function
· Voice guide system
· One-time mute
· Double-locking function
· Emergency power supply when battery dies
· Transmitter for video intercom, remote control available (sold separately)
· 0~9 level volume control
· Automatic / Manual locking setting
· Battery replacement notification

Material
· Front : Al, PC, Back : ABS
· Handle : Al, ABS

Specification
· Color : MSP330/Gold, MSP300/Gold, Silver
· Unlocking method : Fingerprint (only for MSP330), password, key tag, emergency key
· Battery : 1.5V alkaline AA battery x 8ea

MS701/702 FEATURES

Dimension
· Door thickness : 40-50mm(Basic), maximum 100mm(Optional)
· Front : 81(W) x 21(D) x 304(H)mm, Back : 81(W) x 32(D) x 304(H)mm

Function
· 3 level volume control
· Double-locking function
· Battery replacement notification
· Emergency power supply when battery dies
· Transmitter for video intercom, remote control available(sold separately)
· One-time mute
· Automatic / Manual locking setting

Material
· Front : PC / Back : ABS / Handle : Zn, ABS

Specification
· Color : MS701/Black, Silver, Red, MS702/Black
· Unlocking method : Password, key tag, emergency key(only for MS702)
· Battery : 1.5V alkaline AA battery x 4ea

MS830 FEATURES

Dimension
· Door thickness : 40-50mm(Basic), maximum 100mm(Optional)
· Front : 81(W) x 21(D) x 230(H)mm, Back : 75(W) x 30(D) x 210(H)mm

Function
· 3 level volume control
· Automatic / Manual locking setting
· Double-locking function
· Battery replacement notification
· Emergency power supply when battery dies

Material
· Front : PC, Back : ABS
· Handle : Al

Specification
· Color : Black
· Unlocking method : Password, key tag
· Battery : 1.5V alkaline AA battery x 4ea

CL701/501 FEATURES

Dimension
· Door thickness : 40-50mm(Basic), maximum 100mm(Optional)
· Front : (CL701) 69(W) x 17(D) x 173(H)mm, Back : 160(W) x 43(D) x 100(H)mm,
  (CL501) 70(W) x 22(D) x 172(H)mm, Back : 160(W) x 43(D) x 100(H)mm

Function
· 3 level volume control
· One-time mute
· Double-locking function
· Automatic / Manual locking setting
· Battery replacement notification
· Emergency power supply when battery dies

Material
· Front :
  (CL701) PC
  (CL501) Zn, ABS
· Back : Zn, ABS

Specification
· Color : Black
· Unlocking method : Password, key tag
· Battery : 1.5V alkaline AA battery x 4ea
