HISTORY OF THE COMPANY

The Korean Box was established in 2014 by some Korea Polytechnic University students. The idea was to sell Korean products through the internet by using some applications such as Instagram, WeChat, and others.

At the beginning (for 2 years) we called this work "Eva Market" and we sold our products to the Middle East and China only.

In 2016 we got the business licenses and we called it "Roos Market" then we change it to "The Korean Box" in the same year.

The company has several projects, including the export and import of products from Korea. One of the products is Glitter Nail, which is also the tourist services recently as translation services, tour guide and driver. Currently, the company has developed a shopping website and soon it will be launched.

The Korean Box has grown to the point where it is currently preparing several development projects, including Glitter Nail. And it has become one of the leading brands in Korea.

The success of the company and thankfully thank God and Ijtihad of the Chief Executive Officer in charge of management, which was the main reason for the development and development of the company and its success first in China and then in the Middle East

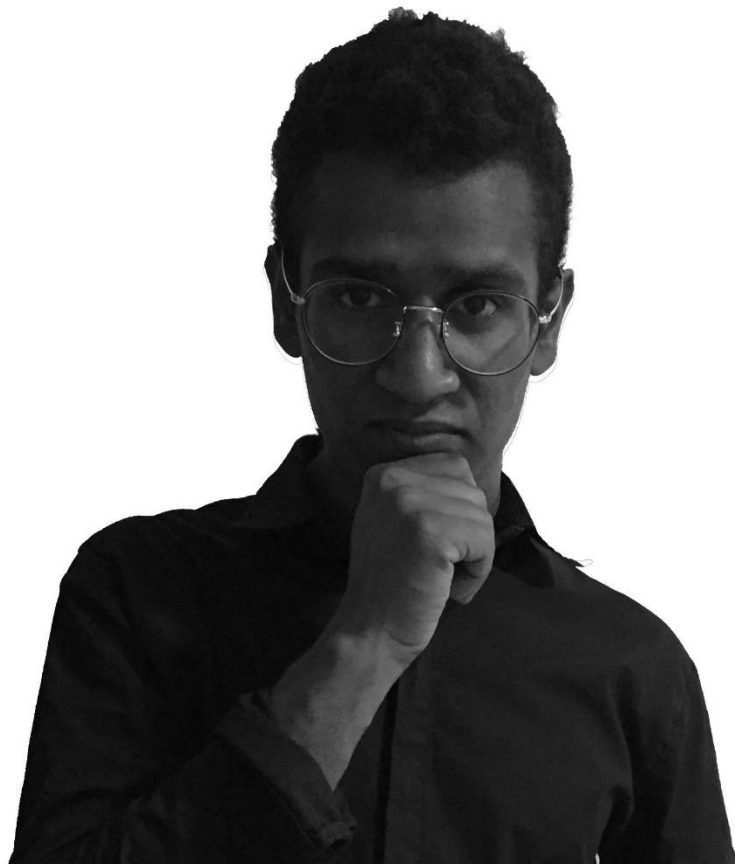

Their words were the famous

"Nothing worth having easy to work"

THE REASON IS CALLED THE KOREA BOX

This name was chosen because the goods are Korean and the purchases are collected, packaged, placed in a box and sent by mail from Korea to other countries. When the box full of Korean products arrives, people are called the box “The Korean Box”.
